

SUBSTANCE ABUSE OR THERAPUETIC/PHSYCHIATRIC SERVICES:

Asking for help is never easy. I have extensive experience placing my clients onto the road of recovery. Whether its alcoholism, drug addiction, juvenile delinquency, couples therapy, anger management, or mental health disorders, let me assist you in getting the help you need. I have an extensive network of programs, from live in dual diagnosis drug and alcohol rehabilitation, to simple AA/NA meeting locations, I know someone in your area who can help. Whether you need a referral to Personal Empowerment classes or Domestic Violence classes, I can help. **Text or call me on my cell anytime 949 922 3733 for that assistance.** I also have insurance consultants who can search for us for placement utilizing your insurance. Therapists and Counselors are happy to assist my clients at reasonable discounted rates. Text or call me when you are ready for that referral.
